

2025 Silicon Valley Auto Show Rolls into Santa Clara Convention Center

New-model Vehicles, Gas and Electric Vehicle Test Drives, Exotics, Customs, Classics, and More

SANTA CLARA, Calif. (February 10, 2025) -- The 2025 [Silicon Valley Auto Show](#) returns to the Santa Clara Convention Center offering car enthusiasts the chance to explore the latest in automotive innovation from all-new luxury vehicles to tricked-out custom cars. Attendees can explore the latest vehicles in a relaxed, no-sales environment, speak with knowledgeable product specialists, experience the latest in automotive technology hands-on, and even go for a test drive, from Friday, February 21 through Sunday, February 23.

This is the place to check out the latest 2025-model vehicles from more than 16 brands in a non-selling environment. With so many choices now available, guests will have the opportunity to learn about hybrids, EVs, fuel cell vehicles, and gas engines, helping them choose what best suits their needs. Attendees can also get an up-close look at must-see new model vehicles from **Acura, Chrysler, Dodge, Honda, Hyundai, Infiniti, Jaguar, Jeep, Kia, Land Rover, Lexus, Mercedes-Benz, Porsche, Ram, Tesla, and Toyota.**

Test drives will be available in a variety of gas, electric, and hybrid vehicles from five brands including **Cadillac, Lucid, Tesla, Toyota, and Volkswagen.** Confirmed models available for test drives includes **all Tesla models including the Cybertruck, Lucid Air, Cadillac Escalade IQ, Cadillac Optiq, Volkswagen I.D. Buzz, and more.**

“With falling interest rates, increased incentives, and an abundance of inventory -- now is an excellent time to consider purchasing a new car, especially an EV,” said [Autotrader Executive Editor Brian Moody](#). “The Silicon Valley Auto Show offers a pressure-free environment to interact with product specialists and explore the latest automotive options available today.”

New this year, see the amazing **Alef Model A flying car**, the only flying car with street driving and vertical take-off capability. The Alef Model A flying car fits within existing urban infrastructure for driving and parking. Production is set to begin this year with first deliveries in Q4 of 2025.

Additional special features include:

- **Custom Car Collection** – An extensive display of tricked-out custom cars with wild paint jobs, chrome

and custom modifications, courtesy of Spider Custom Cars.

- **San Jose Sharks Mascot “SJ Sharkie”** will greet guests and pose for photos on Sunday, February 23, at 12 p.m. Children 12 and under get in free on this day, CEFCU Family Day.

The Silicon Valley Auto Show is The Silicon Valley Auto Show is owned and presented by the Silicon Valley Automobile Dealers Association and sponsored by Citizens Equity First Credit Union ([CEFCU](#)), Silicon Valley Power, and Star One Credit Union.
